

SPRING GARDEN CARE CHECKLIST

PLANTENANCE
LANDSCAPE GROUP

OUTDOOR PLANTS & TREES

- Germinate and seed flowers, fruits and vegetables
- After frost period, move or transplant weather-resistant potted plants outdoors

GENERAL MAINTENANCE

- Check and maintain wooden and stone patios
- Check and maintain asphalt driveways
- Clean flowerbeds of all debris
- Use compost to nourish soil (use raked thatching from the lawn to create next year's compost)
- Clean gutters and eaves-troughs
- Relax and enjoy!
